[JF Notes Begin]

[Note: All references to Plotinus, *The Enneads*.]

Aphrodite is Soul at its divinest.

III.5.2, “on the same day” means principally on the same level of principle.

III.5.3, see VI.7.33.

III.5.4. Beauty is the object of Love, and Beauty is a permanent object of the I.P. [Intellectual-Principle].

And Love is the principle of Lack; everything except the One has a lack, and therefore has Love.
