

[AD Supp p. 1338, AD SUPP 1338 ASL Categories AD Diagram D.PDF]

The categories of the imagination -- each and every one -- is an organ through which the function is being manifest. This function has two aspects -- fabricative and gnostic. Fabricative = organs through which it can manifest. Gnostic = creates the 4 psychological func. [functions] of knowing -- the [Note: photocopy page cut off, looks like: org [organs]] of the gnostic powers of the rational soul. Psych. func. [Psychological functions] of knowing get acquainted w/ [with] appearances projected by the tropes
